SFL ARES Training Bulletin

Training Bulletin: #14

Course: ICS-300 (G-300): Intermediate ICS for Expanding Incidents

Date/Time (if applicable): SEE CLASS SCHEDULE

Location: SEE CLASS SCHEDULE (In person only course)

Cost: FREE

ARES Training Level: Level 1 and Level 2 (Optional) and Level 3 (Strongly Recommended)

Description: This in person course provides training and resources for personnel who require advanced knowledge and application of the ICS. This course expands upon information covered in the IS-100 and IS-200 courses. The course prepares ARES participants to take on leadership positions such as EC, ADEC, DEC, ASEC, and SEC, and other designated positions in the ARES program.

Prerequisites: IS-100, IS-200, IS-700 and IS-800

Registration Instructions: Search the Internet for SERT Trac and log into your account (Refer to Training Bulletin #3). Find the date and location of the course that you wish and signup. Make sure that you have met all the prerequisite requirements for the course. The system will send an email to your supervisor for approval. After entering the information on the course registration page, you will have to wait for your approval which could take a few days. Check back on the site often, but you should receive an email once you are approved to take the course. Once you successfully complete the course, you will be provided with your certificate.

Please remember to forward a copy of your certificate after successfully completing the course to your SERT Trac account and update your Taskbook.

Additional Related, Follow-up or Advanced Courses: ICS-400: Advanced ICS Command and General Staff-Complex Incidents provides training and resources for personnel who require advanced application of ICS. This course expands upon information covered in ICS-100 through ICS-300 (G-300).
